About us

KBC Trust ® was established in 1992 by a great visionary late Sri. K.B. Chikkamuniyappa, a philanthropist. From a humble beginning ASHOK GROUP OF INSTITUTIONS has blossomed in to a fast growing chain of educational institutions. Situated in and around North Bangalore, the group has been catering to the educational needs of both urban and rural students. Starting from primary education to university education ASHOK GROUP has been rendering yeoman services in the fields of general education, technical education and medical education.

Bengaluru, a leading education centre & one of India’s most vibrant, cosmopolitan cities, is well connected by road, rail & air to the rest of the nation. Bengaluru has emerged as a high tech hub of India with tech parks and enormous job opportunities for students.

Mission

“To provide the value based high quality technical and managerial education to the students to be the best engineers of the nation and world by engaging them in simulating community dedicated to the discovery of knowledge. Excellence in scholarship and service to society; and to develop the tomorrow’s technology that will make a global impact on the betterment of society”.

Vision

“ To create academically excellent, global competent and culture – vibrant technical manpower for our nation”
